Outweighed and outmanned: slapped down as the underdogs; underrated and unsung by the experts, a stout-hearted, stubborn and determined Breamcoached Orange and Blue football machine rose to magnificent heights from the depths of despair and apparent despondent defeat to scissor a last-second searing and scorching 34-33 wellearned triumph over the highlytouted, powerful and shifty Bucknell Bisons on Memorial field Saturday afternoon to climax the biggest and best Homecoming Gettysburg college

A record-setting audience chilled to the marrow by a stinging November wind, hopeful but not too confident, sat as though stunned through the first devastating six minutes as the snarling Bisons unleashed a firstplay touchdown, then smashed down the Bullet forward wall for a second TD to inaugurate what they thought was going to be a merciless slaughter.

The Bullets of G-burg were hurt but they were not down. They were well aware of the overwhelming odds against with snarling viciousness and the allegedly impregnable defense of the Bison was pierced and split by the victory-bent men-of-Bream. They passed and they ran, inside and outside, and brought lusty roars from the jam-packed stands as they forged into a 14-13 lead.

The Bison hunched his heft to the fore by six precious points. Undaunted the Bullets fired back. They opened the book and they rifled. They showed showed that they, too, were well drilled and inspired. When the first half gun sounded the score was knotted at 20-all.

The intermission was agonizing. The press box was a bedlam. There were coffee and sand-

## VETERANS-VOTERS

We believe that one of the most effective ways to fight un-Americanism is to bring it out into the open and expose those who take part in tearing down our mest cherished obligations and duties as citizens.

While all the major, recognized veterans' organizations in Pennsylvania have publicly announced in favor of the bonus, as have the two great political parties, a few so-called leaders of the Democratic Party are attempting to fool the veteran by circulating the rumor that a veteran registered Democratic must vote Democratic to receive the bonus.

This rumor is absolutely untrue. Your vote for the bonus is separate from the rest of the ticket, and your "X" in the block marked "Democratic" doesn't mean you've voted for the bonus.

To keep the record straight, let us remember that a Republican Representative introduced the bonus Amendment into the House in 1947 and 1949, and Republican Legislatures in both of those years and a Republican Governor gave the people of Pennsylvania the chance to vote for the bonus.

Does that make it a Democratic law? NO! It is all-Pennsylvanian!

Regardless of how you are registered — Republican or Démocrat — you can vote for the bonus — Amendment A-1 — and also the Republican Ticket.

## **Bullets Stun** With Touchdo In Last Second For 34-33 Up:

bered for years to come by the 5,500 spectators as the most sensational, thrilling and spectacular seen on any gridiron, Coach "Hen" Bream's Gettysburg college eleven nosed out the favored Bucknell Bisons 34-33 here Saturday afternoon in the annual Homecoming Day game, the winning point coming after the clock had signaled the end of the game. Packed with thrills and spectacu-

lar play from the start to finish it is almost impossible to pick out outstanding plays but the winning touchdown and point boot, of course, Yielding a touchdown to the

Bisons with but 40 seconds of play remaining and on the short end of a 33-27 count, the courageous Bullets put on a demonstration which would have put even the most imaginative Hollywood producer to

Bucknell kicked to the Bullets after securing the lead and some smart football strategy was unfolded by the Bullets. The kick sailed to Bob McCausland on the 35 and he headed straight to the side lines to halt the clock. Ross Sachs, as everyone knew he would, heaved a long pass, but it fell incomplete. Another long aerial was allowed on pass interference for a first down on the Bisons' 47. Fakes Injury

#### On the next play Sachs, on an

attempted pass, was thrown to his own 46. Quick thinking by Ditty Jones, who faked an injury, secured a time out as the clock showed exactly 10 seconds remaining With time remaining for just one

more play Sachs faded to his left and heaved a long pass intended for Don Emert but the ball was deflected to Lee Snook who gathered it in on the 22 and raced over the end zone as time ran out.

Into the game went Coach Bream's place-kicking combination, Ronnie Fitzkee and Bobby Bitner. Seconds later the huge crowd went delirious with joy as Fitzkee sent the ball high over the uprights to give the Bullets a "believe-it-or-not" tri-

The game opened with Faulkner kicking off to Mason, who was downed on his own 36. On the first play Hoover tossed a lateral to Mason who threw a long pass to Gallagher on the Gettysburg 25 from where he raced unmolested for a score on a play which completely fooled the Bullets. Mason's

Six minutes later Bucknell scored again. Taking over on their own 38 through a Bullet punt, Ostendarp and Hoover sparked the drive to the Gettysburg 19 from where Ostendarp hurled a pass to McKibbin in the end zone. Mason made the score 13-0 with a placement.

Sachs, who gave one of the outstanding performances of his career by completing 16 of 24 aerials, five of which went for touchdowns started throwing passes immediately after the Bullets took the ensuing kickoff which was run back by Speaker to the 40.

Two passes, both to McCausland, produced a pair of first downs to the foe's 28. Another pass was intercepted by Law but when he fumbled Tony Cervino pounced on the ball on the 18. Cervino went through right tackle for 7 yards and Jones and Speaker picked up a first down on the 6. Speaker got three yards at right end and then an off-side penalty set the Bullets back to the 8. Speaker lost four yards at left end. A pass over the end zone was incomplete but on the final try Sachs heaved to Cervino for the Arli score. Fitzkee booted the first of his frac four extra points

Gettysburg went 85 yards for its his second touchdown, Dwight Speaker, nigh an outstanding runner until forced | into out by a Charley horse in the third period, sparking the drive. Sachs Mar passed to McCausland to put the gate ball on the 14 and when he could was find no open receiver on the next from play, the Bullet passer raced to the chur four. Jones was hurled back for a ! squa total of 7 yards on the next two of c plays by the determined Bisons but | T Sachs again went to the air with a thro pass in the end zone to McCausland: | wall Fitzkee converted to put the locals and in front 14-13.

Bucknell struck back quickly to age take the lead again. Taking the No ball on his own 25. Hoover whirled ner and twisted his way for 48 vards amb to reach the Bullet 17. Court and Don Emmert snared the passes which were good for three first downs to the Bisons' 46.

#### Speaker Tallies

With the ball near midfield, Sachs hit Speaker with a pass on the 30 and the tricky little 142-pounder reversed his field and scampered over the last marker. Fitzkee missed his boot which left the score 20-20 at half time.

A kick which went out of bounds on their own 31 early in the third quarter put the Bullets in hot water. Ostendarp pounded out two first downs to the 9 but Junie Griffiths snared a pass on the 2 to stave off the drive. On two plays Speaker picked up 5 yards but on the next try Davidson pounced on a fumble on the 8 to set the stage for Bucknell to tally again. Mason cracked over from the 3 on third down. Mason's point try was wide.

Late in the quarter Court recovered a fumble by Mason on the Gettysburg 29. Sachs whipped a long pass to Snook on the Bison 30 and he raced to the 4-yard line before being caught from the rear by Vanny Johnson. After three line drives picked up three yards, Sachs passed to Cervino in the end zone on the first play of the final quarter. Fitzkee converted to send the Bullets out in front 27-26.

Several plays later Ostendarp got off on a 32-yard run to the Gettysburg 4. Aided greatly by a Bucknell off-side penalty, the Bullets took the ball on downs on the 4. Jones booted out to his 33 and on the second play Bob McCoy intercepted a pass and lateralled to Griffiths who was thrown on the 4. Fumbles Costly

A series of recovered fumbles en-

sued. Court recovered Ostendarp's fumble on the Gettysburg 35 and three plays later Light recovered for the Bisons on the 22. Ostendarp, on two tries picked up a first down on the 10 but Steck fumbled on the next play with Griffiths recovering on the eight. Through a Gettysburg punt,

coupled with a 15-yard clipping penalty, Bucknell took over on its own 44 as time started to be an important factor. Dean passed to Mc-Kibbin on the Gettysburg 25. Three straight Bison passes were broken up but on the final down Dean connected with Ostendarp on the three with only 1:22 remaining. Stec picked up two yards at center and another play was stopped before Ostendarp plowed over. Mason converted to make the count 33-27 with only 40 seconds remaining.

Then the Bullets put on their spine-tingling finish to snatch vic-

BY 12-7 SCORE A handful of loval rooters braved

the cold and bleakness of Saturday afternoon to watch the Red Lion jinx over Biglerville work once more as Red Lion upset the Canners 12-7 and knocked them out of the undefeated class in the Conference of the Roses on the winners' field.

Whether it was the jinx, the weather, or the absence of Slaybaugh at end and Walde in the backfield one thing is certain: Biglerville wasn't even in the game during the first quarter and their slow ing the first quarter the Canners had the ball only twice and were forced to kick both times. Red Lion monopolized the ball-carrying in this initial frame piling up seven first downs, scoring one touchdown, and were ready to go over for their

second tally when the quarter ended. The Canners took over after this but were unable to overcome the deficit. Just before the first half ended the Canners made a sustained 77-yard drive downfield but failed to score when the Red Lion line held on the 4-yard line. The Canners were not to be denied in their attempt to score. After the second half kick-off the Canners started from their 17 and went roaring down the field on an 83-yard sustained drive for their only touchdown. Heller converted successfully. Throughout the second and third quarters Red Lion was held to one first down.

Interception Fatal

With time running out the Canners took to the air in the final frame in a frantic attempt to gain er, added the extra point. a winning touchdown. The end came when a Canner pas was intercepted at midfield to cancel the final drive.

Once again the Canners took the kick-off, got no where, and were forced to kick on fourth down. And once again Red Lion took over and headed downfield for a score. A pass, Norris to Grove, went to the Biglerville 33. Ropp got to the 14. Neff and Weigel gained a first down to the 4 as the quarter ended. On second down after play was resumed Norris bucked over for the TD. Again Kinard's kick was no good.

Court and Don Emmert snared the passes which were good for three

first downs to the Bisons' 46. Speaker Tallies

With the ball near midfield, Sachs hit Speaker with a pass on the 30 and the tricky little 142-pounder reversed his field and scampered over the last marker. Fitzkee missed his boot which left the score 20-20 at

A kick which went out of bounds on their own 31 early in the third quarter put the Bullets in hot water. Ostendarp pounded out two first downs to the 9 but Junie Griffiths snared a pass on the 2 to stave off the drive. On two plays Speaker picked up 5 yards but on the next try Davidson pounced on a fumble on the 8 to set the stage for Bucknell to tally again. Mason cracked over from the 3 on third down. Mason's point try was wide.

Late in the quarter Court recovered a fumble by Mason on the Gettysburg 29. Sachs whipped a long pass to Snook on the Bison 30 and he raced to the 4-yard line before being caught from the rear by Vanny Johnson. After three line drives picked up three yards. Sachs passed to Cervino in the end zone on the first play of the final quarter. Fitzkee converted to send the Bullets out in front 27-26.

Several plays later Ostendarp got off on a 32-yard run to the Gettysburg 4. Aided greatly by a Bucknell off-side penalty, the Bullets took the ball on downs on the 4. Jones booted out to his 33 and on the second play Bob McCoy intercepted a pass and lateralled to Griffiths who was thrown on the 4.

Fumbles Costly

A series of recovered fumbles ensued. Court recovered Ostendarp's fumble on the Gettysburg 35 and three plays later Light recovered for the Bisons on the 22. Ostendarp, on two tries picked up a first down on the 10 but Steck fumbled on the next play with Griffiths recovering on the eight.

Through a Gettysburg punt, coupled with a 15-yard clipping penalty, Bucknell took over on its own 44 as time started to be an important factor. Dean passed to Mc-Kibbin on the Gettysburg 25. Three straight Bison passes were broken up but on the final down Dean connected with Ostendarp on the three with only 1:22 remaining. Stec picked up two yards at center and another play was stopped before Ostendarp plowed over. Mason converted to make the count 33-27 with only 40 seconds remaining.

Then the Bullets put on their spine-tingling finish to snatch victory.

Credit for the victory goes to every Bullet player in the lineup, all of whom battled back in the face of tremendous odds time and again.

# HALTS CANNERS

A handful of loyal rooters braved he cold and bleakness of Saturday afternoon to watch the Red Lion jinx over Biglerville work once more as Red Lion upset the Canners 12-7 and knocked them out of the undefeated class in the Conference of the Roses on the winners' field.

Whether it was the jinx, the weather, or the absence of Slaybaugh at end and Walde in the backfield one thing is certain: Biglerville wasn't even in the game during the first quarter and their slow start cost them the ball game. During the first quarter the Canners had the ball only twice and were forced to kick both times. Red Lion monopolized the ball-carrying in this initial frame piling up seven first downs, scoring one touchdown. and were ready to go over for their second tally when the quarter ended.

The Canners took over after this but were unable to overcome the deficit. Just before the first half ended the Canners made a sustained 77-yard drive downfield but failed to score when the Red Lion line held on the 4-yard line. The Canners were not to be denied in their attempt to score. After the second ler converted successfully. Throughout the second and third quarters time. Red Lion was held to one first down.

## NOT SETTLED

Harrisburg, Nov. 7 (AP)-Six of Pennsylvania's major scholastic grid conferences are far from being settled with only one or two games remaining on the schedules.

Two of the closest races are being waged in the northern division of the Eastern loop and the huge Western conference. Either Old Weaver Forge or Swoyerville, both unbeaten and untied, could take the title won last year by Blakely in the east. Both won non-league contests over the week-end. ## Today's Talk

A DON'T KNOW! I have never thought it to my disadvantage to say, "I don't know," when that is the case. How very little any one of us knows, comparatively. How little we know about ourselves, and how little about those with whom we come in daily contact.

A person who doesn't know is usually a good listener, so that he may St. burg as second class matter under know. When it does, however, I shall be ready

Some people are tio proud, or perhaps too conceited, to acknowledge that they don't know, when a question is asked or a subject discussed. Rarely is an intelligent person upbraided for saying that he does not know. His honesty is commended. There is much all through life that we should know, and there is a great deal that would do us no good if we did know.

When Montaigne retired to his "castle," in order that he might write his thoughts and describe his philosophy of life, he had these words placed upon two beams that he might see them and ponder over them every day of his life: "I stop-I examine-I do not understand." It would be well for all of us to

What little we do know we should spread out and make go a long way. Others are thereby inspired to know more. When I first became interested in etchings I went out and bought every book I could put my hands to, that I might know both the methods of their creation and all about those who had mastered this art. Then I was ready to appreciate each print acquired.

#### something foreboding in the way he clawed. Brute force and more brawn held sway and the first strike pushed Bucknell six points to the good.

And then it started. The

Bison was furious. There was

There were some who lost hope. But not too many. Those few were in the stands. On the field of play those who were the Orange and Blue were undaunted. They slapped backs and shook clenched fists. This game isn't over. WE'RE NOT BEATEN!

The going was tough, rugged and rough. The Bison was up. He wanted THIS game. The hands on the time-clock ticked off valuable seconds.

Although battered, the Bullets stood their ground, unflinchingly. They did not despair. They matched wits against brawn . . . and they struck . . . TOUCH-DOWN. An educated toe swung and collided with pigskin. Gettysburg's prexy stood and cheered. Why shouldn't he? His boys were leading 27-26.

But wait. There are six minutes to play. How furious can a Bison get?

You'll see. Biff, bang, boom and there he is knocking and clawing at the pay-dirt goal. Was he to be denied? Fate stepped in for a few welcome seconds and the Bullets staved off the thrusts . . . but not for long.

ute and 55 seconds to play. You can't stop a steam-roller forever. The Bullets stubbornly gave ground and Bucknell rolled into the lead 33-27. Forty seconds to play. Here's the kick-off. Why is that Gettysburg receiver racing

out of bounds? To save time,

Time is running out. One min-

you dope. Ten seconds to play. The ball is on the 50-yard stripe. Time is racing, Then BOOM! The pigskin is sailing through the air. Bisons and Bullets are all over the turf. The second hand on the clock is moving at top speed. The ball is coming down. Two Bisons and a Bullet leap high in the air. Someone deflects the ball. It's loose in mid-air. A pair of alert Builet hands reach desperately, clutch the pigskin and then its owner wheels, turns and digs for pay dirt . . . AND MAKES IT. The Bullets have tied the score at 33-33 as time

ran out. Players and officials are milling all over the place, Police move the surging crowd out of the end zones. Mr. Referee rushes forward, grabs the ball and flops it down on the 3-yard stripe. Gettysburg must try for the extra point and the ball

cated toe swings forward and the pigskin splits the uprights. Gettysburg, 34; Bucknell, 33. Sounds like a storybook finish, doesn't it? Well it was all of that and then some. It left you limp and exhausted . . . but

man is also being built." He said that "The purpose of Christian education is the building of Christian character. The church has much to offer and must instill into the hearts of children the eternal truths that are found in the Bible.'

Dr. Mowrey cited to the Bible as the perfect plan for living. "Christian ethics," he continued, "are the only means that will work. The Bible is for our own good and help. It does not hinder or cramp our lives but serves to give us the solution to many problems.

#### Seek Best Methods

"We can always call on the Master Architect to help us out. The church must try to find the best methods possible to perform the task of Christian education. Some of the methods used in the public schools should be adopted in the church. To the church goes the responsibility of seeing that our children receive a Christian education from infancy and all the way through life."

## Marching Troops Highlight Celebration Of Anniversary Of Red Revolution

# SPEAKER SAYS

Moscow, Nov. 7 (A)-Russia's Red leaders today led celebrations markmg the 32nd anniversary of their 1917 revolution. Top political and military chiefs accused the United States of fomenting a new blood bath of war designed to make the world an American colony.

The main attack was made last night by Communist politburo member George M. Malenkov, who asserted that such a war would mean an end to capitalism in the world. It was echoed today by Marshal Alexander M. Vasilevsky, minister of the Soviet armed forces, at the spectacular and traditional military ceremonies in Moscow's historic Red

#### Accuses Warmongers

Vasilevsky accused "warmongers" of pursuing a "policy of aggression and unleashing of new arms." He called on the Russians to "fight still harder for the further growth of the might of our state."

Vasilevsky reviewed thousands of Russian foot soldiers, tanks and motorized weapons streaming for hours through Red square. The aerial parade over the marching soldiers was led by Generalissimo Stalin's son, Gen. Vassily Stallin, flying in a fighter plane.

Malenkov charged the United East Berlin-Richard C. Smith, 12-States was plotting "to enslave the world."

Malenkov vigorously asserted that the Soviets "do not want war and we shall do everything possible to

#### Talks On Atomic Power

"In the hands of the imperialists," he declared, "atomic energy is a means for the production of lethal weapons, a means of intimidation,

Malenkov continued: "If the Im-War, this will not only be the grave and spirits. of individual capitalists countries, but of capitalism as a whole," More than 2,000 persons, including

Generalissimo Stalin and U.S. Ambassador Alan G. Kirk, heard Malenkov's address. Stalin was given a tremendous ovation at the ceremonies last night.

Malenkov's choice as last night's speaker confirmed him as a rising Soviet political star. Foreign Minister V. M. Molotov made the speech the two previous years. In politbure photographs published for the anniversary. Malenkov was placed at Stalin's left But Molotov's photo

Veterans Organizations Of Adams County

## Why YOU Should Vote For **Amendment 1-A** At The Polls November 8

- 1. If Amendment 1-A passes, World WarII veterans will receive 40 cents per day for each day they were in service. The money is to be given them to make up, in a small way, for the financial loss they had in serving our country at \$50 a month while jobs at that much per week went begging.
- 2. Every gold star widow or mother will receive \$500.
- 3. Veterans will receive an average of \$325 as their adjusted compensation. This money will go to pay off debts, help pay for homes, cars, groceries, clothes; in fact everyone will benefit from it in increased business.
- 4. The approximately \$400,000,000 that the adjusted compensation will cost can be paid out of the annual treasury surplus - THERE IS NO NEED FOR ADDI-TIONAL TAXES.
- 5. The Democratic and Republican parties have both endorsed the adjusted compensation payments, the state legislature has voted for it twice, Governor Duff and other high Republicans and high Democratic officials have all expressed their approval.
- 6. This general approval indicates that the proposed adjusted compensation payments are not only just but feasible. That the payments are something owed to the veterans and should be paid, and that they can be paid without injuring the financial condition of the state.
- 7. If you approve the payment to veterans you must vote. There are many who do not approve, for many reasons. They will be out to cast their votes. The veterans need your vote to guarantee the passage of Amendment 1-A.

A stake of \$500,000,000 for World War II veterans rides on the yes-orno choice of Pennsylvania's voters on this question:

"Shall article nine of the Constitution of Pennsylvania be amended by adding a new section authorizing the state to create additional bonded indebtedness to the amount of \$500,000,000 for payment of a bonus to veterans?"

officials. The mayoralties of Pittsburgh, Scranton and 21 third class cities also will be balloted on.

In the background is speculation on what tomorrow's returns will mean in relation to Republican and Democratic strength in the vital gubernatorial and Congressional elections of 1950.

Eyes will be cast particularly in the direction of Philadelphia and Pittsburgh.

Scandals in the Republican city administration here have lifted the fights for two row offices into the statewide political picture. Any hopes that Richardson Dilworth may have to be the Democratic candidate for governor in 1950 rest in a large part on his showing as that party's candidate for city treasurer.

72 Towns Decide On Movies He and his running mate for city

controller, Joseph Sill Clark, Jr., claim to have bitten off big chunks of independent Republican support that may test the strength of the GOP organization headed by Wilham Meade.

In Pittsburgh, Democrat David L. Lawrence is bidding for re-election as mayor against Republican Opponent Tice Ryan. His record as mayor in the past four years produced the political tug-of-war that featured the campaign.

A host of county judicial fights will be decided tomorrow in addition to the \$21,000-a-year post on the Superior Court bench sought again by Judge William E. Hirt. Erie, Republican. His Democratic opponent is Judge Harry M. Montgomery of the Allegheny Common Pleas Court

Seventy-two communities will see local option balloting on whether movies can be shown on Sunday. Another town, Dale Borough, Cambria county, will vote on the question of banning Sunday movies.

A half dozen places will decide on the question of Sunday sports.

#### **Cold Frames May** Need Extra Help

Most gardeners use the cold frame during the winter for carrying over perennial seedlings started in the summer or early fall. In most cases these were sown in the frame but there may be others which were discovered in the perennial border and moved to the frame to give them a better chance of survival. With small seedlings being more susceptible to winter's cold, it pays to give them more portection than that provided by the frame alone.

Banking soil against the outside of the frame's four sides is a big help and, of course, that work will have to be taken care of before the ground freezes. Another method which gives even more protection consists of building a makeshift frame around the original one to secure a wall five or six inches thick which is filled with sawdust. This protection may be added after the ground is frozen and, therefore, takes care of the cases where the gardener failed to act earlier.

#### Asparagus Tops May Delay Cleanup

Give the tops of asparagus a chance to fulfill their purpose by letting them remain until they have dried completely. So long as they cannot be pulled up with ease they still are in the process of delivering some of their food to the roots. It takes them a long time to complete their full growing cycle and that is likely to make them the last item in the garden to be cleaned

The only way to get rid of them is by burning. Care is needed because they flare up with almost explosive force.

**BUSH-CANE FRUIT FERTILIZER** Raspberries, currants and other bush and cane fruits should have a winter mulch of manure but, if this is unavailable, work a little complete fertilizer into the soil surface around the plants and add salt hay, straw, corn stalks or leaves four inches deep after the ground is frozen.

#### GROW ACORNS

For something out of the ordinary plant a half-dozen or so acorns in a dish filled with moist moss They should germinate promptly and provide an interesting and artistic display through the winter. They can be planted out next spring.

In Pittsburgh, Democrat David L. Lawrence is bidding for re-election as mayor against Republican Opponent Tice Ryan. His record as mayor in the past four years produced the political tug-of-war that featured the campaign.

A host of county judicial fights will be decided tomorrow in addition to the \$21,000-a-year post on the Superior Court bench sought again by Judge William E. Hirt, Erie, Republican. His Democratic opponent is Judge Harry M. Montgomery of the Allegheny Common Pleas Court.

Seventy-two communities will see local option balloting on whether movies can be shown on Sunday. Another town, Dale Borough, Cambria county, will vote on the question

of banning Sunday movies. A half dozen places will decide on the question of Sunday sports.

#### Cold Frames May Need Extra Help

Most gardeners use the cold frame during the winter for carrying over perennial seedlings started in the summer or early fall. In most cases these were sown in the frame but there may be others which were discovered in the perennial border and moved to the frame to give them a better chance of survival. With small seedlings being more susceptible to winter's cold, it pays to give them more portection than that provided by the frame alone.

Banking soil against the outside of the frame's four sides is a big help and, of course, that work will have to be taken care of before the ground freezes. Another method which gives even more protection consists of building a makeshift frame around the original one to secure a wall five or six inches thick which is filled with sawdust. This protection may be added after the ground is frozen and, therefore, takes care of the cases where the gardener failed to act earlier.

#### Asparagus Tops May Delay Cleanup

Give the tops of asparagus a chance to fulfill their purpose by letting them remain until they have dried completely. So long as they cannot be pulled up with ease they still are in the process of delivering some of their food to the roots. It takes them a long time to complete their full growing cycle and that is likely to make them the last item in the garden to be cleaned

The only way to get rid of them is by burning. Care is needed because they flare up with almost ex-

#### BUSH-CANE FRUIT FERTILIZER

Raspberries, currants and other bush and cane fruits should have a winter mulch of manure but, if this is unavailable, work a little complete fertilizer into the soil surface around the plants and add salt hay, straw, corn stalks or leaves four inches deep after the ground

#### GROW ACORNS

For something out of the ordinary plant a half-dozen or so acorns in a dish filled with moist moss. They should germinate promptly and provide an interesting and artistic display through the winter. They can be planted out next spring.

## Why YOU Should Vote For **Amendment 1-A** At The Polls November 8

- 1. If Amendment 1-A passes, World WarII veterans will receive 40 cents per day for each day they were in service. The money is to be given them to make up, in a small way, for the financial loss they had in serving our country at \$50 a month while jobs at that much per week went begging.
- 2. Every gold star widow or mother will receive \$500.
- 3. Veterans will receive an average of \$325 as their adjusted compensation. This money will go to pay off debts, help pay for homes, cars, groceries, clothes; in fact everyone will benefit from it in increased business.
- 4. The approximately \$400,000,000 that the adjusted compensation will cost can be paid out of the annual treasury surplus - THERE IS NO NEED FOR ADDI-TIONAL TAXES.
- 5. The Democratic and Republican parties have both endorsed the adjusted compensation payments, the state legislature has voted for it twice, Governor Duff and other high Republicans and high Democratic officials have all expressed their approval.
- 6. This general approval indicates that the proposed adjusted compensation payments are not only just but feasible. That the payments are something owed to the veterans and should be paid, and that they can be paid without injuring the financial condition of the state.
- 7. If you approve the payment to veterans you must vote. There are many who do not approve, for many reasons. They will be out to cast their votes. The veterans need your vote to guarantee the passage of Amendment 1-A.

## A Man of God Speaks

The Arch-Deacon of the diocese of Harrisburg, John R. Leatherbury, Rector of the St. Luke's Episcopal Church, in Altoona, took a stand in favor of Sunday

Movies

## Remember this:

"'Remember to keep holy the Sabbath Day.' This does not mean twenty-four hours or twelve hours. It means daily you pray to God. One day in the week that you attend services is not the only day for church; church is a thing for EVERY DAY in the week."

"THERE IS NO WORD IN THE BIBLE AGAINST ENTERTAINMENT ON SUNDAY. I FAVOR the Sunday Movies from 2 o'clock to 11 o'clock."

"It is not true that people who go to the movies on Sunday will go to Hell. You can not have one law for one people and one for another. If movies were closed on Monday, the Ministerium would be the first to object, as they go in droves to the movies on that day."

"The Army used movies as a morale builder. Chaplains, priests of God, planned movies on Sundays for their men. If movies were good in time of war, why should they not build morale in time of peace?"

"I am glad we are all worried about the effect of Sunday Movies on the youth program. Youngsters must have a place to play. Sunday Movies will take care of this very real need. Except for a youth program of a brief hour on Sunday between 6:00 p. m. and 7:30 p. m o'clock, the parish houses of this city are darkened, and most of them stay that way until the next Sunday, yet everyone is concerned about delinquencies, and the cry is put forth our young people are going to Hell."

"I hope that my people will not be hypocrites. It is NOT a sin to go to Sunday movies or to have Sunday sports."

"Be honest, be fair, and vote "YES" for Sunday Movies and Sunday Sports. I assure you it is NOT a sin, and a loving God will not condemn you to Hell. You can still attend the church of your choice; yes, you could see a Sunday movies and still attend evening worship."
